

Danielle Brown serves as Administrative Director, Service Line Development & Planning, for CHA Hollywood Presbyterian Medical Center. She is responsible for leading and managing key strategy and business development efforts by working closely with executive and clinical leaders to create service-line and functional area strategic and growth plans, as well as provide support for additional business development endeavors.

Prior to joining Hollywood Presbyterian, Ms. Brown was Operations Analyst at Dignity Health's San Francisco corporate offices where she was an integral member of the System Operations team providing project management and analytic support by driving initiatives, programs, and services that enable the organization to deliver on its mission, strategies, growth and goals.

Ms. Brown received her Bachelor of Arts in Communication from San Diego State University, a Master of Science in Health Administration from California State University, Northridge and a Certificate in Financial Management from Cornell University. Her extensive knowledge and experience in healthcare management and delivery allows her to maintain valuable insight and understanding of the ever-evolving healthcare landscape.
